1. All claims for Warranty Service should be made to Amber Technology, your nearest Authorised TASCAM Service Agent or to the TASCAM Dealer from whom the purchase was made.

2. Reasonable evidence of the date of your original purchase must be provided to qualify for Warranty Service. The original Sales Receipt is your best proof of purchase.

3. This Warranty extends only to defects occurring in materials and/or workmanship under normal domestic use of the product when operated in accordance with the supplied instructions. Products employed in professional or commercial applications are covered by a twelve (12) month Warranty period.

4. Warranty against defect:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Goods repaired or replaced if the Goods fail to be of acceptable quality and the failure does not amount to a major failure.

5. The Warranty does not cover:

a) Unreasonable mileage or travelling time, pick-up or delivery, or the cost of insurance.

b) Any and all service costs arising from failure to correctly adjust the controls of the product or to observe the manufacturer's instructions or inspections that reveal that the product is in normal working order.

c) Product failures caused by misuse, neglect, abnormal wear and tear, accidental breakage, inexperienced repairs or external electromagnetic radiation, mains voltage spillage.

d) Replacement of worn or used batteries, styli or other consumables.

e) Products that have their serial number altered or removed.

f) Accessories attached to or to be used with TASCAM products, such as cables etc.

g) Installation and removal of TASCAM products.

6. It is recommended that any product, the subject of this Warranty, should be prepared for transportation in accordance with the manufacturer's instructions described in the instruction manual, and packed in its original packaging and/or carton or other suitable packaging which offers the same degree of protection. Damage incurred in transit resulting from inadequate packaging is not covered by this Warranty.

7. As an owner of high quality TASCAM equipment it is recommended that you read the instruction manual to familiarise yourself with the correct operating and maintenance procedures and ensure that any recommended routine maintenance is performed in accordance with the manufacturer's recommendations.

8. The benefits given to you in this warranty are in addition to other rights and remedies under a law in relation to the products to which this warranty applies.
