

MODEL: **EHP-110**

DESCRIPTION: High fidelity metallic in ear headphone with mic

FEATURES

- Specially designed for answering calls and listening to music on smart phones. While enjoying the music, press the control to answer the call if the phone rings. Then press again to hang up and go on with your music.
- All metal parts are alloyed with aluminum, providing a heavy metal and rock feeling.
- The powerful neodymium magnet on the loudspeaker delivers clear highs and pounding bass.
- The Y-type cable slider on the headphones allows you to enjoy and dance with the music.
- Choose an earpiece that fits your ear canal best from free S/M/L sizes to comfort wearing and isolate the noises.
- Innovative color identification for the cable and the earplugs. Gray for the left and black for the right.
- Velvet pouch for secure storage and safe transport.
