

QuickFit Premium Coaxial Series

QF20CS, QF60CS, QF80CS

When you need more power and solid bass response the QuickFit premium coaxial series of ceiling speakers are sure to exceed expectations. This premium series features two way coaxial drivers producing high SPL and detailed audio reproduction. The frameless magnetic grills allow easy removal of the grill for tapping changes and quick installation. Porting through the front baffle improves bass response and ensures detailed bass definition. The sealed back-can provides isolation in the ceiling space ensuring spill in the ceiling cavity is kept to a minimum.

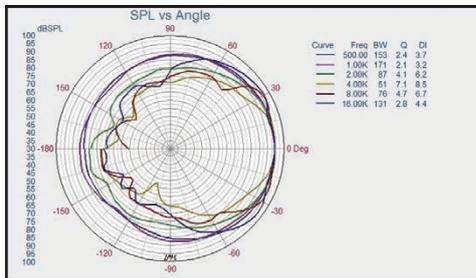

If you require a black ceiling speaker it's as easy as changing the grill. A black grill for each model can be purchased separately as an accessory.

The QF20CS, QF60CS and QF80CS series of QuickFit ceiling speakers are the perfect choice for situations demanding high intelligibility and SPL. Pubs, clubs, bars, retail spaces, functions rooms, lecture rooms, boardrooms and many other commercial spaces requiring a premium high powered ceiling speaker solution.
