

m-Seven True Wireless

All day listening

This will take you across the Atlantic before you need to charge your earphones.

Charge on the go

The charging case offers three extra charges for a total of 38 hours of wireless playtime.

Touch controls

Control your music smoothly with integrated multi-function touch controls.

Voice control

Make quick voice commands directly to your smartphone with Siri and Google Assistant.

Sweatproof & IPx5

Allows for walks during rainy days and heavy workouts. Rated with IPx5.

Wireless

Experience your music with complete wireless freedom through Bluetooth 5.0.

Introduction

Move free no matter if you are on your daily commute, at the gym or on a weekend hike.

The earbuds are lightweight and engineered to be comfortable and secured in your ears. The ergonomic and slim design allows the small ear pieces to fit tightly inside the shape of your ear without ever feeling bulky or unstable.
