

m-Six Wireless

Sweatproof

Made to withstand the outdoor weather for extra resilience against dust, sweat and water.

Skin tight and secure fit

The slim cable is equipped with an adjustable clip to ensure a skin tight fit behind the neck.

Built-in mic and controls

Control the playback and take hands-free calls with the built-in microphone and control button.

Flexible earhooks

The ear hooks ensures that the earphones stays in place and the cable is out of the way.

Fast charge technology

A quick 15 minute charge keeps you set with 1 hour of playtime. Perfect when you're in a rush.

Wireless

Experience your music with complete wireless freedom through Bluetooth 5.0.

Introduction

Inspired by high-end in-ear monitors for on-stage artists, m-Six is designed for comfort and stability. Because of its slim fit, it's barely noticeable and can be easily worn for hours without irritation.

To make it more secure, the ear hooks ensures that m-Six stays in place and the cable is out of the way, no matter the intensity of the activity.
