Distributor of the Year
2020, 2021 and 2022

ambertech.com.au

Amber Technology is a leading distributor of audio-visual solutions for all types of installation projects in Australia. We are committed to providing the best range of brands and products for residential, commercial, and live sound installations, plus a dedicated specialist hi-fi division introduced in 2023.

Our range of brands offers a comprehensive selection of products across AV categories – from large-scale commercial projects, live performance venues, education facilities, houses of worship, retail and hospitality, to cutting-edge residential projects and specialist hi-fi products.
